

# Bluetooth Optical Mouse

Product Code: SH-BT01

The Shintaro Bluetooth Mouse is the ideal notebook companion. Using the wireless function of the Notebook eliminates the requirement for add on dongles as per standard RF mice. It has five buttons including scroll wheel for easy navigation and supports selectable DPI giving you the accuracy required for every task. An optical sensor allows the mouse to work on virtually any surface and is complimented with a stylish ergonomic design. The Shintaro Bluetooth mouse is the ideal addition for any Notebook user.
